**RE: Multi-Use Facility Grant #840845
Multi-Use Community Health Center**

Dear Ms. Stillman:

This letter is in response to your email dated September 25, 2007 regarding a check received for \$9,168.63 as the result of a lawsuit by the State of Colorado against General Steel Corporation. Your question as to if Tanacross Village Council was obligated to repay the received funds from the lawsuit back to the State, the answer is yes. Since the costs of the steel building were paid from the Multi-Use Facility Grant #840845, and it has not been completed to date the funds should come back to our Department in order for us to return these funds back to the Denali Commission.

Please send me a check written to the State of Alaska in the amount of \$9,168.63 and reference the Multi-Use Facility Grant #840845 on the check. I will acknowledge receipt of your check by a letter for your files.

We appreciate you informing us of this settlement received and acknowledging the Council's obligation of the project.

Sincerely,

Judy Haymaker
Grants Administrator
